

"People of HOPE - Godly Leaders Worldwide"

Want to reach your local Christian expatriate community? Advertise with us!

HOPE International School is a vibrant, nurturing school community. We are based in Phnom Penh, with an additional campus in Siem Reap. HOPE is truly an International School embracing a rich diversity of families and cultures, with our 420 students that represent 32 nationalities, from Preschool to Year 12.

Each year we publish a glossy, colour, and highly professional magazine-style Yearbook as a means of celebrating and remembering the year that was. In the back pages of the Yearbook, we offer local businesses and ministries, just like yours, the opportunity to promote themselves and/or to congratulate our students by purchasing **advertising space** (see pricing structure below).

Benefits of Advertising with Us:

- ◆ Affordable rates (special discounts for NGO's)
- ◆ Increased exposure in the expatriate community in Cambodia & Overseas
- ◆ Year long exposure for your advertisement and message
